

COSTUME FEES FOR THE SPRING RECITAL

We order our costumes for the spring recitals this month as the costume companies have at least a two to three month ordering/delivery requirement. Once again, we have the most reasonable costume fees and still have beautiful costumes for our dancers.

Please make your costume payment as soon as possible. **We will order costumes for every child enrolled in classes unless you let us know that you won't be participating in the spring recitals.** We don't want to order costumes we don't need as they are non returnable.

Look for the type of class your child in enrolled in - we have put the class times after as a reference...
